

DLA Piper Business Advisory is now looking for **Analyst / Junior Consultant** in the field of financial advisory

DLA Piper Business Advisory is the new financial advisory and business consulting arm of DLA Piper providing professional services in the field of **corporate finance, M&A, business valuation, financial modelling, financing, strategy and litigation support** with special focus on regulated industries such as **energy and infrastructure, life sciences, financial services**, and various other segments.

DLA Piper Business Advisory **ranked 1st place based on number of successful M&A transactions in Hungary in 2019** according to MergerMarket. DLA Piper Business Advisory is **one of the leading business valuation and financial modelling teams** as well in Hungary.

DLA Piper is one of the most highly recognized and largest law firms both in Hungary and globally.

Main tasks and responsibilities:

- Develop complex financial and business models
- Conduct business valuation of companies from various industries
- Research for industries, market data and companies
- Contribute to a strong client relationship through interactions with clients

Your professional background:

- 0-2 years professional experience in financial advisory or business consulting
- Ongoing or completed university studies (preferably in Finance MSc with specialization in Corporate Finance or Investment Analysis, CEMS or membership in college for advanced studies is an advantage)
- Fluency in Hungarian and English
- Outstanding skills in MS Office (VBA knowledge is an advantage)

We are looking candidates with:

- Outstanding communication and interpersonal skills
- Critical approach and analytical skills
- Confidence to identify problems
- Ability to understand, organize and solve complex tasks
- Desire to work in financial advisory

We offer:

- Continuous professional and personal development
- Challenging projects in the field of financial advisory
- Collaborative and experienced team of experts
- Opportunity to client exposure
- Flexible work schedule (preferably full-time, min. 30 hours per week)
- Competitive salary

If you are looking for a challenging opportunity in financial advisory, apply with your CV until November 15, 2020 on the following address: anna.csellar@dlapiper.com
